

HOSPITALITY TEAM MEMBER APPRENTICESHIP

Preparing your Apprentices for the Post-Pandemic Future in Hospitality

All our apprenticeships now contain the following live and online training courses:

- ▶ The Principles of Infection Control and Safe Working
- ▶ Awareness of First Aid for Mental Health
- ▶ Customer Service in the World of Now
- ▶ Managing Change and Building Resilience

There are a wide range of establishments in which a hospitality team member can work including bars, restaurants, cafés, conference centres, banqueting venues, hotels or contract caterers.

The role is very varied and, although hospitality team members tend to specialise in an area, they have to be adaptable and ready to support colleagues across the business, for example during busy periods.

Specialist areas in hospitality include food and beverage service, serving alcoholic beverages, barista, food preparation, housekeeping, concierge and guest services, reception, reservations and conference and banqueting. The most important part of the role is developing fantastic 'hospitality' skills and knowledge such as recognising customer needs, knowing how to match them to the products and services of the business and working as part of a team to ensure that every customer, whether they are eating in a restaurant, drinking cocktails in a bar, ordering room service in a hotel or attending a business conference, feels welcomed and looked after.

The independent end point assessment ensures that all apprentices consistently achieve the industry set professional standard and can commence at any point once the apprentice is competent after the twelve-month minimum period of learning and development. Prior to independent end point assessment the functional skills English and maths components of the apprenticeship must be successfully completed.

Summary of Independent End Point Assessment Process

The apprentice will be assessed to the apprenticeship standard using four complementary assessment methods. The assessment is synoptic, i.e. takes a view of the overall performance of the apprentice in their job. The assessment activities will be completed by the independent end point assessment organisation as follows:

On Demand Test

- ▶ 90 minute on demand multiple choice test

- ▶ Scenario based questions
- ▶ Externally set and marked
- ▶ Undertaken either on the employer's premises or off site.

Practical Observation

- ▶ 2 hour observation of the apprentice in the working environment
- ▶ Time may be split to cover preparation and service
- ▶ Shows apprentice covering a range of tasks in their specialist function.

Business Project

- ▶ Project to look at an opportunity / challenge / idea to make an improvement to the business E.g. customer experience, reducing wastage
- ▶ Researched and then presented to employer and independent end assessor.

Complete first 3 activities in any order

Professional Discussion

- ▶ 40 minute structured meeting
- ▶ Led by the independent end assessor, involving the apprentice and employer (e.g. line manager)
- ▶ Focusing on the areas of the standard, including Industry Knowledge, Core Hospitality and Hospitality Specialist.

Completion

The Independent end assessor confirms that each assessment element has been completed. The apprenticeship includes Pass and Distinction grades with the final grade based on the apprentice's combined performance in each assessment activity. In order to pass the apprentice is required to pass each of the assessments. Should an apprentice fail one assessment activity this should be retaken as soon as the apprentice is ready

and when practicable for the business. Should they fail two or more activities a period of further training and development lasting between one and three months must take place before a resit. For more information on grading criteria please refer to the apprenticeship standard assessment plan by searching via <https://findapprenticeshiptraining.sfa.bis.gov.uk/>
